

FOR ALL YOUR
HOME ENTERTAINMENT
NEEDS

Access streaming apps whilst on the move with WebOS Smart TVs powered by 12-volt or mains cable.

Ideal for caravans, motorhomes, boats and HGVs.

Traveller TVs for all Motorhomes / Caravans

This total range benefits from being designed for the needs of the caravan and motorhome user. All designed to operate off site. The TV's have the Ultra fast WebOS Hub from LG. Proven to load and run faster than main competition. Built in voltage protection from 12V to 28V, to protect against power surge. The TVs have low power consumption to extend battery life when off mains. Both 12/24V and 230V operation with leads supplied. The screens are full HD offering excellent vertical/horizontal viewing angles 178/178 degrees. Dual tuner both satellite and digital terrestrial. Wall mountable.
